**NUECES DE
CATAMARCA**
INTEGRATED WALNUT PRODUCTION

WE PRODUCE, PROCESS AND COMMERCIALIZE QUALITY WALNUTS

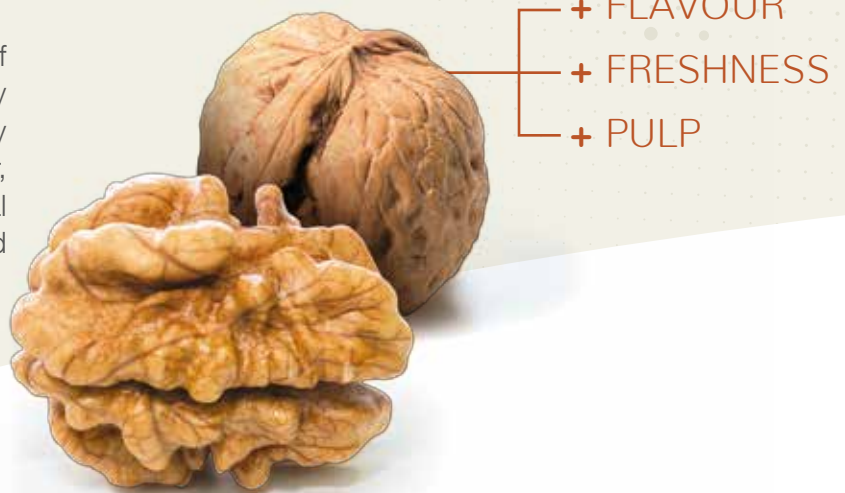

Nueces de Catamarca is born from the spirit of constant innovation and growth that is the hallmark of **Grupo Lucci**. We are a company dedicated to the farming of Chandler walnut trees, and the production, packing, marketing and export of walnuts in shell.

We offer an excellent product, from the Southern hemisphere, to the rest of world. Thanks to our integrated production, we are able to meet the demands of the international market and to ensure we meet the highest quality standards at every stage of the process.

OUR PRODUCT PURITY AND FRESHNESS FROM ORIGIN

Walnuts in shell

We offer a premium-quality product of international renown. Our high-quality shelled walnuts are characterized by their freshness and natural flavour, their high pulp yield and their optimal size and colour (extra light, light, and amber).

SUSTAINABLE AND BALANCED PRODUCTION SYSTEM INTEGRATED WALNUT PRODUCTION AND PRODUCTIVE EFFICIENCY

INTEGRATED PRODUCTION PROCESS

ORCHARD

Our own production spans over 200 hectares. Our Chandler walnut trees, grown at certified nurseries, together with our sustainable production management guarantee high standards of productivity and quality.

HARVEST

Our harvest takes place in March and April. Our establishment's strategic location allows us to have an early harvest, which enables us to reach the markets sooner.

Our mechanised harvesting process, which uses state-of-the-art shakers, sweepers and pickers, allows us to provide a quality of excellence.

PACKING

Our packing process is carried out with state-of-the-art equipment for the washing, hulling, drying and sorting of walnuts.

Our modern production control systems allow us to deliver a product with the least possible damage, free of foreign substances, and with the highest quality in the market.

FUNDACIÓN VICENTE LUCCI

Strengthening our region.

Started in 2003, the Foundation aims at empowering the rural communities of the Argentinian Northwest through our own training programs related to subjects such as Values, Health, the Environment, Human Rights, Child Labour, Entrepreneurship and Labour Market Integration, thus strengthening the comprehensive development of **children, youngsters, adults and their communities**.

Our guidelines are based on the ten principles of the **United Nations Global Compact**, as well as on the work of the **Network of Companies Against Child Labour** –belonging to the National Commission for the Eradication of Child Labour (**CONAETI**) –, on the advice of international aid agencies – the International Labour Organization (**ILO**) and **UNICEF** –, and on the United Nations Sustainable Development Goals (**SDG**).
